

## Upgrading from Walk! the Isle of Wight 2nd ed 2010 to 3rd edition published 2014

Walk! the Isle of Wight has been a popular guide book so when we could see that we would sell out of the 2nd edition we asked Martin Simons to carry out a comprehensive review so as to produce a new 3rd edition.

Martin has checked every route and they all stay basically the same; except that changes in the bus services has meant that Martin has changed where four of the walking routes start and finish so as to fit with the new bus services and timetable.

These four routes detail changes are:-

11. Shalfleet, Chessell Down and Newbridge

Now starts and finishes at the churchyard in Shalfleet, opposite the New Inn(5\*), previously wpt.06.

14 Bowcombe Down and Gallibury Hump

Now starts and finishes at the Bowcombe Farm bus stop, previously wpt.16.

15 Thorness Bay

Now starts at the Sportsman's Rest in Porchfield, previously wpt.12.

16 Parkhurst Forest

Now starts from the bus stop near Lower Watchingwell, close to the old wpt.29.

40 Bembridge and Culver Down

A slight change in the waypoints from 16 to 21 where numbers 17 to 20 are slightly realigned.

These are small detail changes so rather than replace your 2nd edition with a new 3rd edition we suggest simply making a note of the changed start and finish points on walking routes 11, 14, 15 and 16, plus getting the latest bus information from [www.islandbuses.info](http://www.islandbuses.info)
